Dear Karen, my little buddy,
 I'm cross without you, would
 have been a real dump. You're a
 real good kid, and I like you.
 I hope I get you in a lot of classes
 next year. We need the help.
 Good Bless you, love,

LOG

Accepting His Challenge

IN ACADEMICS:

Throughout our daily classes . . . trigonometry . . . chemistry . . . English . . . and our weekly chapel services, we learn, with the help of our teachers, to recognize the importance of **ACCEPTING HIS CHALLENGE**.

AS SENIORS:

In our Christian atmosphere at Luther North, we have experienced that God's Challenge is a never-ending one. We realize this . . . and will willfully strive in our lives to accept this task.

AS UNDERCLASSMEN:

The responsibility of living a God-pleasing life is a difficult one. Underclassmen are able to overcome this difficulty by linking God with their work, thereby coming closer to Him.

IN ORGANIZATIONS:

Through active participation in the various organizations at Luther, we seek not only Christian fellowship, but also the opportunity to accept and fulfill responsibilities. Whether we are . . . serving at a banquet . . . cheering our team to victory . . . or collecting food and clothing for the needy . . . we realize that this is not solely for the benefit of our neighbor, but primarily for the glory of God.

IN SPORTS:

As children of God, it is our duty to accept defeat as well as victory, whether it be on the . . . football field . . . baseball diamond . . . track . . . basketball floor . . . tennis court . . . or in the pool. Realizing that our lives are never-ending struggles against our opponents, we should always strive to do God's Will.

IN STUDENT LIFE:

In all of our extra curricular activities . . . "Warrior's Waterloo" . . . the Christmas and Lenten Concerts . . . football and basketball games . . . all-school parties . . . we know that our Foremost Guest is ever present. Realizing this, our activities become more unified in spirit . . . thus we enjoy them to a fuller and richer extent.

Accepting His Challenge

"Practice makes perfect" is the motto that these two band members followed.

Graduates of 1961 — this is your book! It is a record of the experience you have had throughout your years at Luther North . . . the friendliness in the halls . . . choir and band concerts . . . too many activities cramped into too little time . . . Chapel services. These are all a part of your memories . . . your challenges in algebra and chemistry . . . locker trouble . . . enthusiasm about all-school parties or club activities . . . cheering at football games. This book is a reminiscence of your high school life. It is your teachers, your classes, and your friends —but most of all it is the religious training you have received. This emphasis on Religion will always remain with you.

The year has come to an end — now you have the difficult task of continuing to associate God with all you do. This challenge has been revealed to you during the past years and now it is up to you to apply what you have learned.

So, whoever you are, and whatever role you played at Luther High North, you are an important part of this yearbook.

The opponents get a glimpse of our victorious team as the familiar word "hike" is called.

On the eve of our Homecoming, students, teachers, parents and alumni gathered at "Warrior's Waterloo" to cheer our team to victory.

Left to Right: Erika Henkel, Roger Mehl, Kathy Thoss, Marsha Kramer, Gerry Unzicker.

DEDIC

WE,

Mr. George Yursky

This edition of the LOG is dedicated to a Christian teacher who strongly believes in guiding his students according to definite principles, and who knows the only way to win a football game is to play forty-eight minutes of good, hard ball; — To one who is keyed to his teaching and to his Teacher; — To a man who is respected by all students — a blend of humbleness and devotion to a cause, whether it be on the football field or in the classroom. His saying, "When the going gets tough, the tough get going," is familiar to all the football players; and what math student will ever forget the game of Nim or the puzzling question, "What is infinity?" To you, **Mr. George Yursky**, we the class of 1961, dedicate this LOG as part of our heartfelt thanks for helping us learn to **ACCEPT HIS CHALLENGE**.

ATION

Mr. Arthur C. Matthews

Mr. Albin Tarnoski

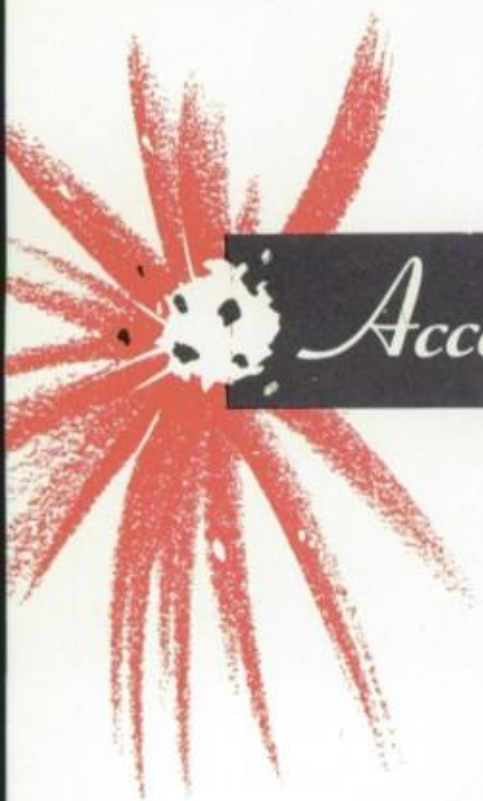

THE GRADUATING CLASS OF 1961,

PAY HONOR TO YOU . . .

Mr. Arthur C. Matthews. Our school plays, under your direction, have entertained us in one of the finest ways possible. We realize the many tedious hours and trouble you put into each production. You made sure that tickets were sold, scenery was finished, actors knew their lines, and that everything else was running just the way it should. For this gift of providing us with fine entertainment, you, **A. C.**, deserve recognition. Your classes in Speech and English have also added something to our lives. You have taught us many things . . . what to expect in college . . . how to improve our speech . . . how to get more meaning out of the things we read. In years to come, there will be a special place for you in our memories. By your unselfish service to Luther North, you have shown us that "It is more blessed to give than to receive." May God bless you always.

Mr. Albin Tarnoski. By your teaching, your Christian attitude in class, and especially by your patience and kindness, you have contributed much to Luther North and to our future lives. We will never forget your classes in chemistry and physical science . . . laboratory experiments . . . memorizing valences . . . learning formulas. In your classes we have become better acquainted with the fascinating field of science. Also, those students in your classes, besides furthering their education, have had the opportunity and good fortune to know and respect a great man. Yes, **Tarny**, you have added "that certain something" to our high school lives, that something that makes you the wonderful person you are. You have made it easier for us to accept the challenge God gives us; and therefore, we wish you God's richest blessings throughout your life.

Accepting His Challenge

Four short years ago you fixed your eyes on a goal out in the distance. That goal was 1961 and graduation. Before you realized it that time has almost arrived. The world is changing so rapidly about us that it is difficult to keep everything in clear focus.

So as you are pausing at graduation time to refocus on a new goal, on the new horizon in your life, we, the faculty, hope that Luther North has been of help to you in preparing you for this new goal.

Especially do we hope that your stay at Luther has helped you to realize more deeply that the real source of all help is in your Savior, Jesus Christ.

Regardless of what new horizons come into your life, let Christ always be the main figure in that picture.

Mr. Martin C. Duensing
Principal

Peggy Banner, President, and Ed Guettler, Vice-President of the Student Council confer with Mr. Duensing, Principal.

Mr. Walter Hartkopf

Our Assistant Principal, **Mr. Walter Hartkopf**, is truly a "man of action." He is perhaps one of the busiest people at Luther. Besides being confronted with the personal problems of many students, Mr. Hartkopf is kept occupied with the concerns of our new Student Life Committee and Student Council. In addition, he is advisor to the LOG Staff and Counselor of the Junior Class. To him we ascribe the gifts of patient understanding, unselfishness, and sincere interest in others, which are outstanding assets to our school.

Senior Class Counselor . . . advises Seniors in selecting their future vocations . . . gives direction for college and college-testing programs . . . and helps in any personal problems.

Sophomore Class Counselor . . . guides sophomores in choosing their future curriculum . . . helps them in their class problems.

SUPERINTENDENT

Superintendent Louis A. Menking's task of shepherding the Lutheran High School Association is a complex and important one. As Superintendent, his main objective is to combine principals, administrations, faculties, and students into a progressive and happy Christian family. We render our sincere thanks to you, Mr. Menking, for your life of sincere and dedicated service to the youth of His Kingdom. May the Lord continue to guide and bless you in all of your efforts in bringing youth closer to Christ through secondary Christian education.

The **OFFICE STAFF** is a very essential part of Luther North. Among the familiar sounds which may be heard in the office area are . . . "Hallguard!" . . . "Good morning! Luther North!" From receiving messages to mimeographing final exams, Mrs. Schultz and Mrs. Heidorn play important roles at LHN. We feel that they deserve recognition for their efficient and friendly service to both faculty and students.

One of the most important clerical jobs at LHN is that of finances. Mrs. Meier efficiently keeps our records balanced and promptly reminds students when tuition is due; she faces her task with patience and dedication. For her hours of devoted service, we are grateful.

Mrs. Meier

NON-TEACHING STAFF

Existing on pop and candy bars is a thing of the past now that the **KITCHEN STAFF** knows the secret to Lutherites' appetites. This year was the first year that we had two choices for our meal; the "lowly hot dog" has become a traditional luncheon. With the help of her efficient staff, Mrs. Halvorsen serves several banquets throughout the year. She and her staff gave outstanding help to several organizations within the school.

A day hardly passes that the **MAINTENANCE STAFF** does not go unnoticed. In the fall and winter they keep us from shivering, and in the warm weather the freshly mowed lawns lend extra visual aids to our classroom atmosphere. Elmer and his staff keep our lights lighted . . . doors, switches, and clocks in working condition . . . and our classrooms fresh and neat. We would like to thank this, the "behind the scenes" staff, for making our atmosphere at Luther a more pleasurable one.

UNIFYING OUR WORK, PLAY, AND LIFE

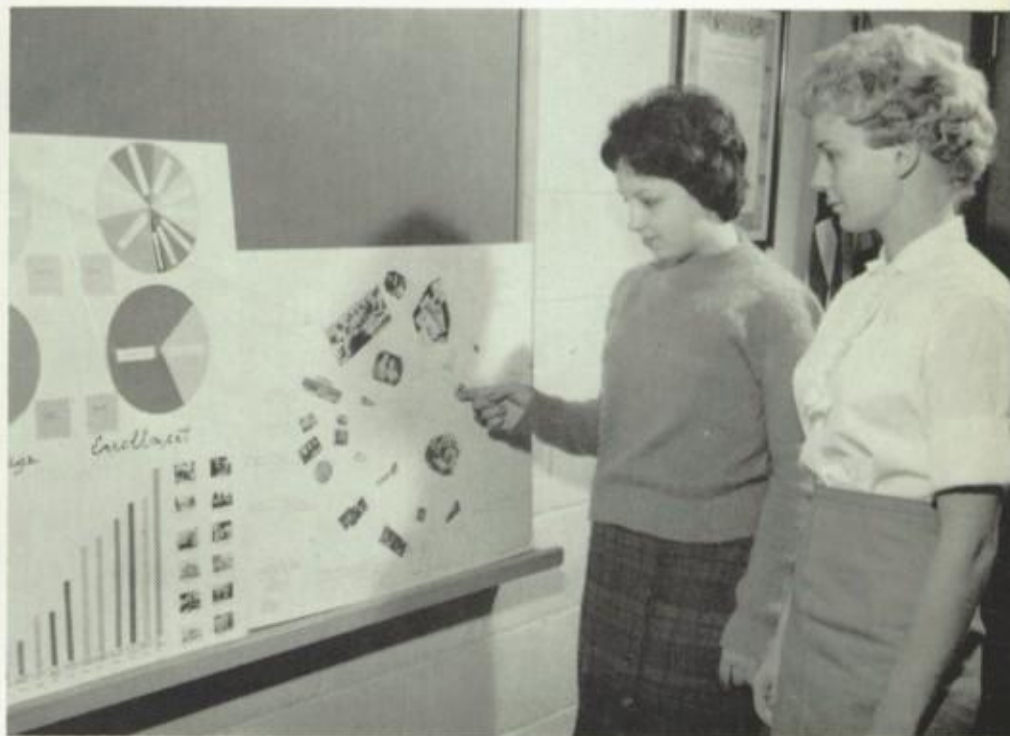

Inasmuch as Luther High School North is built on the principle of developing the mental and spiritual life of the individual student, the RELIGION DEPARTMENT endeavors to continue the development of our religious education. In order to accomplish this, the Scriptural formula must be maintained that "Christ may ever have the preeminence" in all our thoughts and actions in life. The human soul is accountable to God, and only by faith in Christ can the human soul attain the real goal and purpose of life . . . eternal fellowship with God. As students of Luther North, we realize that **ACCEPTING HIS CHALLENGE** can only be done by fulfilling our responsibilities towards God. Knowing that this is a lifetime task, we seek God throughout our daily schedules by making use of our Meditation Chapel, participating wholeheartedly in our classes, and respectfully paying tribute to God in our weekly chapel services.

Being children of God, we know that we fall short of God's great expectations for us. By building our faith upon a firm foundation, our lives are daily enriched and our tasks become more enjoyable.

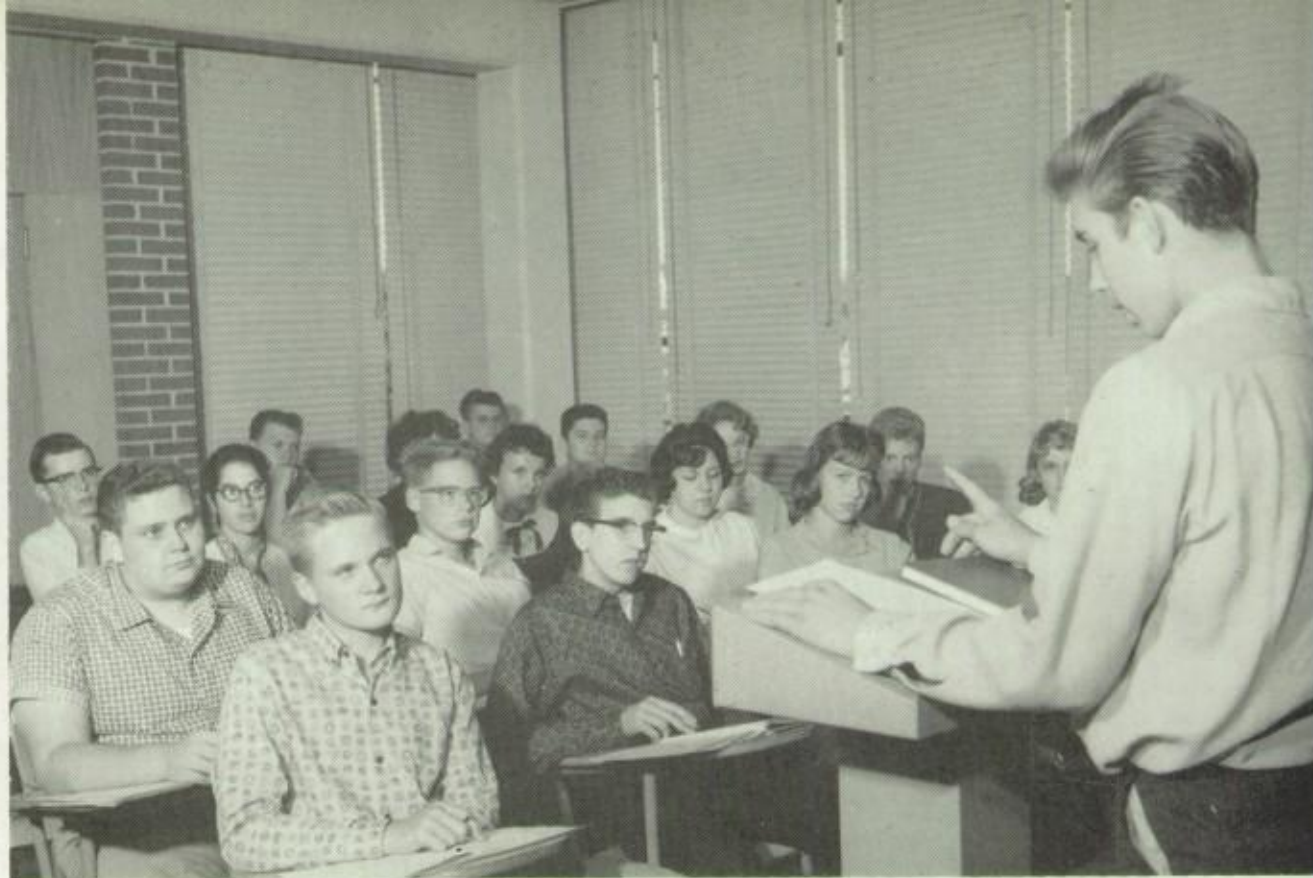

Because all of our classes are centered around God's Holy Word, like Kathy Krizan, we consider it our basic textbook and guide, not only in the classroom, but in social events . . . sports . . . and our daily lives.

Examining a project on the Church's work in training full-time workers, Cheryl Miller and Diane Rode discover the importance of our Synod's work in education.

Mr. Walter Hartkopf, Department Chairman

Impromptu speaking enables Jerry Vrabel to learn to collect his thoughts quickly, and to realize the importance of broadening his background. Gary Garside, Walter Scherb, Craig Wolff, Norma Krueger, and their classmates observe that if these principles are followed, his speaking becomes more meaningful and expressive to them.

OPENING THE DOORS OF LANGUAGE

Whether reading, writing, speaking or listening, we are constantly using the skills of English. It is therefore the aim of the ENGLISH DEPARTMENT to develop all of these fields of English to their fullest capacity through the tools of communication, and through reading and understanding literature. For life and for further education English must be comprehended and understood. Through audio visual aids, the accelerated English program, and the development of interest in reading, the students will experience richer and more meaningful lives.

Encouraging more students to widen their pleasurable reading and to learn the use of books for reference is the main purpose of the LIBRARY DEPARTMENT. Both students and faculty are dependent upon this department for immediate facts or references. Everyone can always be assured of quiet study conditions when using the library of Luther North.

Karen Goehrke, Bill Schmidt, Inge Gatz, and Tow Elkins can be assured of quick and efficient service from Pam Hessler and Baerbel Baisch whenever they want a book checked out.

Mr. Dale Hartmann, Librarian

Through daily exercises, Glenn Lausch, Bob Husberg, and Ann Skaritka have discovered the meaning of Spanish terms; while Judy Stark, David Proctor, and Betty Troester practice writing the language of their American neighbors.

PRESENTING THE IMPORTANCE OF FOREIGN COMMUNICATION

Miss Elsa Birkner, Department Chairman

It is the hope of the FOREIGN LANGUAGE DEPARTMENT that students will gain a greater knowledge of the nations whose language they study. By learning to read, write, and carry on verbal communication in a different language, students acquire the ability to express themselves in this language, and to understand the spoken word in that language. Because of world conditions today, it is important that nations know more about each other and take a greater interest in each other's problems. By studying foreign tongues . . . Latin . . . German . . . Spanish . . . students not only become more fully aware of God's great gift of language, but also become more tolerant of the people who speak in another manner.

The art of communicating in a foreign tongue begins with elementary but necessary memorization of its alphabet and simple verb forms. By applying the first rules of grammar in this verb form, both Louise Dorner and Steve Rieth, listening to Miss Birkner, gain a satisfying sense of accomplishment.

Larry Helmich and George Danner learn, in chemistry, that an experiment involves several details, one of which is the weight of water.

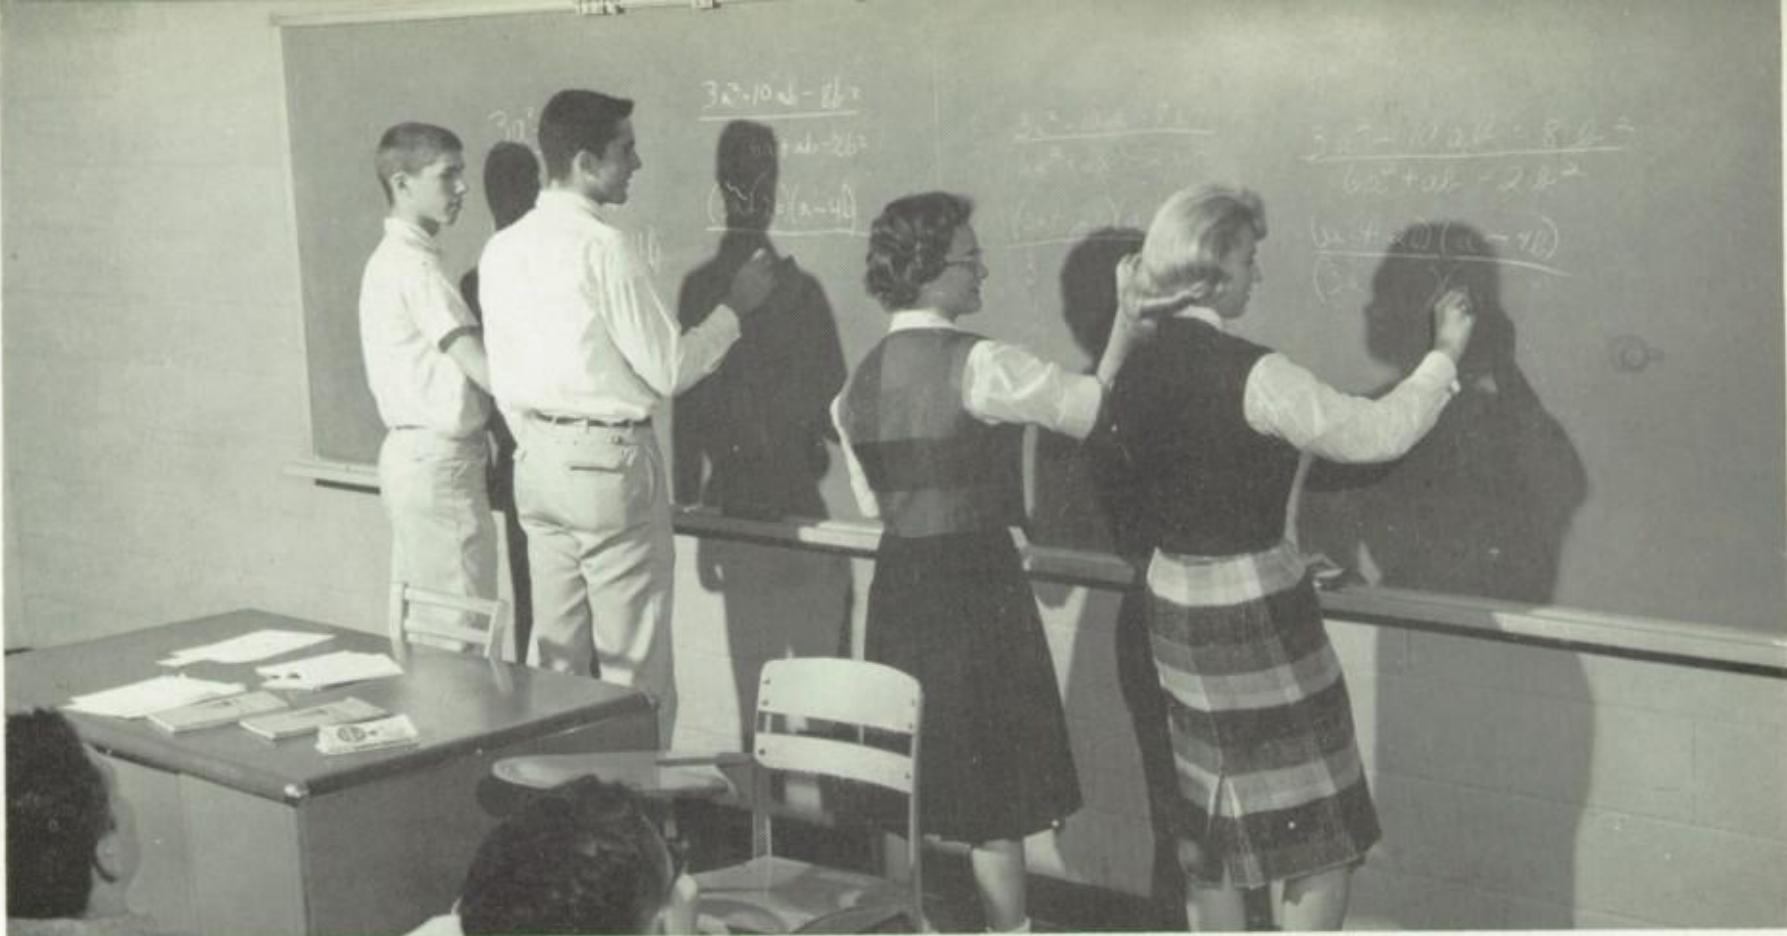

Mr. H. Jack Stoffregen, Department Chairman

DISCOVERING THE "WHY" BY PROBING INTO GOD'S WONDROUS WORKS

The SCIENCE DEPARTMENT offers an excellent opportunity to comprehend scientific theories and to understand the natural wonders of God's creation by expanding knowledge through lectures, research, and experiments. Lives of students are being enriched through the knowledge and understanding that daily stems from the classroom and the textbook. These practical experiences will be exercised to find the wonders of God, and for the welfare of our neighbor.

Through the dissection of a starfish, two biology students, Jack Wilgus and Elise Rehberger, obtain the knowledge of its structure and function. They also learn basic information concerning its habitat and life-span through lectures, movies, and reports.

Through active participation Bill Lehmpuhl, Chuck Mead, Sandy Meyer, and Arlene Blanche place problems on the board, while the class gains a more thorough insight into the development of an algebra problem.

TEACHING THE IMPORTANCE OF CLEAR THINKING

Mr. Harold Meier, Department Chairman

It is the aim of the MATHEMATICS DEPARTMENT to encourage the student to realize that mathematics is to be enjoyed and can be pursued professionally. The teachers of the department instill in the students a basic skill for their desired field in mathematics, in order to develop the students' abilities to think analytically. Students **ACCEPT GOD'S CHALLENGE** by questioning and inquiring into the various branches of the field of mathematics.

Constructing and exhibiting geometrical designs enable underclassmen Joanne Hogan and Ralph Swearingen to see the importance of precise measurement and exact figuring.

Concentrated practice on the comptometer machines aids Phil Streich, Judy Kehm, Sheldon Klemm and Donna Schauer to increase their speed and accuracy.

PREPARING FOR THE BUSINESS WORLD

Mr. Merle Betterman, Department Chairman

The COMMERCIAL ARTS DEPARTMENT prepares students for work in the business world . . . as secretaries . . . stenographers . . . business executives . . . bookkeepers . . . typists. This department endeavors to develop skills which have personal as well as vocational value. A great percentage of available jobs are secretarial and clerical; therefore, we see the importance of these courses and the responsibilities of the instructors in thoroughly training their students.

"Practice makes perfect" is a familiar slogan to the transcription students. Through daily practice and exercises, Emily Peterson, Sharon Behm, and Janis Bernsee are developing personal skills for the business world.

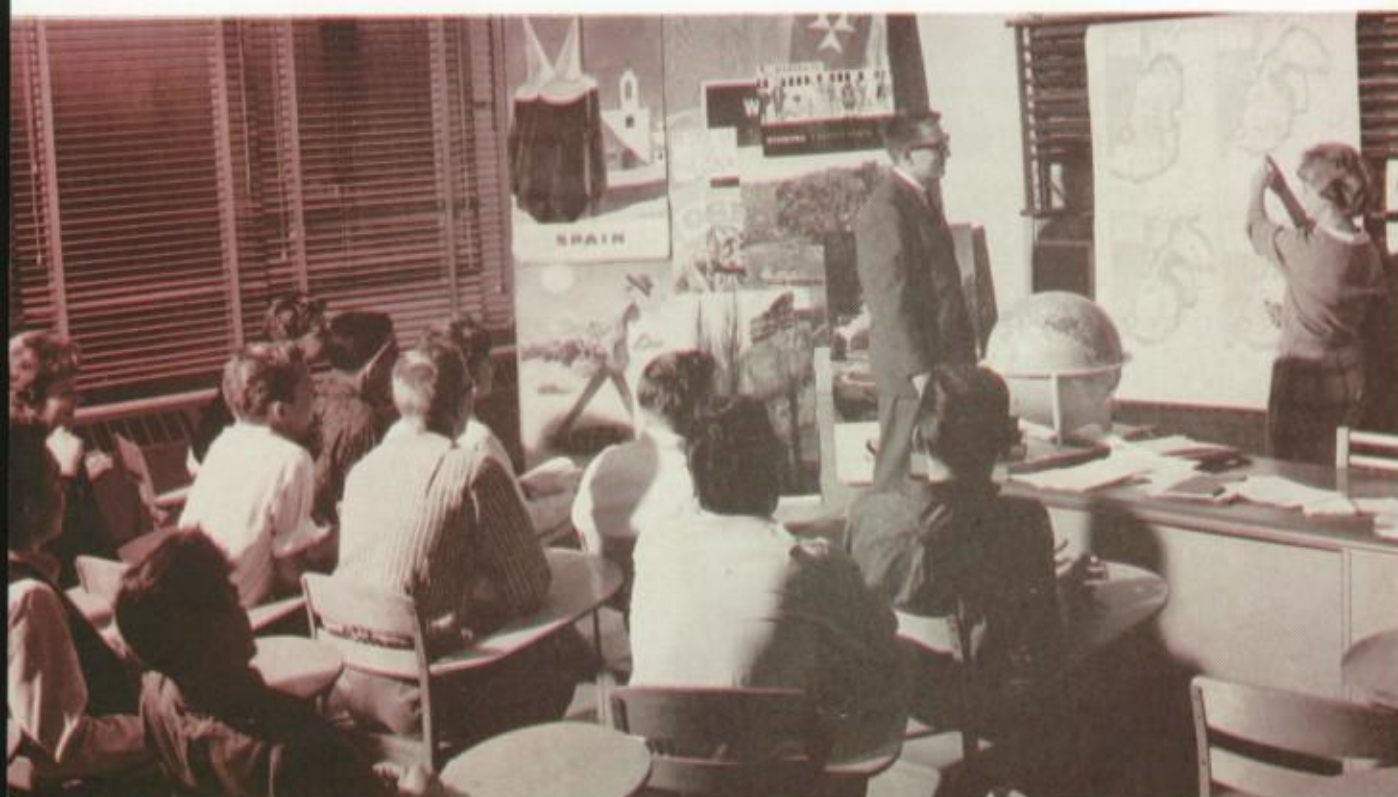

A panel led by Audrey Bergt, Karen Fischer, Gerry Linnemann, John Rasmussen, Elaine Halama, and Victoria Winters, discuss current news items in a sociology class. Through the study of man, they find that their discussions become more comprehensive and of greater value.

LEARNING FROM "BORROWED EXPERIENCE"

Acquainting the student with the democratic way of life and the methods of preserving it, while recognizing the guidance of God in all of the affairs of man, is the principle objective of the SOCIAL STUDIES DEPARTMENT. Students are taught to appreciate their cultural heritage and contributions of other world civilizations. Through the showing of pertinent and current movies, debates, and discussions in the classroom, and oral and written reports, the students' abilities in furthering and evaluating data are stimulated. Combined Christian motivation and the seed of knowledge prepare the students to live more harmoniously in a democratic society.

A political geography class observes Carole Johnson as she points out an important fact to Mr. Kolzow.

Mr. Gustav Derer, Department Chairman

Working in a spacious and pleasant kitchen is a pleasure for Lynn Rode, Nancy Fieck, Janis Bernsee, and Karen Bergmann who have discovered that cooking can be very enjoyable.

Mrs. Grace Nyvall, Department Chairman

Patterns and material clutter tables; biscuits and cookies are baking; potential homemakers are busily at work. These activities constitute the HOME ECONOMICS DEPARTMENT. Foods, Clothing, and Family Living are all included in this department. To cultivate good grooming and poise, and to prepare girls as mothers and housewives of tomorrow are the aims of this department. Each girl is taught how to provide and care for her future home. She is instructed how to make her own clothes, to cook appetizing and nutritious meals, and to be aware of her own personal assets.

DEVELOPING PERSONAL INTERESTS

*Group of Luck all you need give
Roland Schleusener*

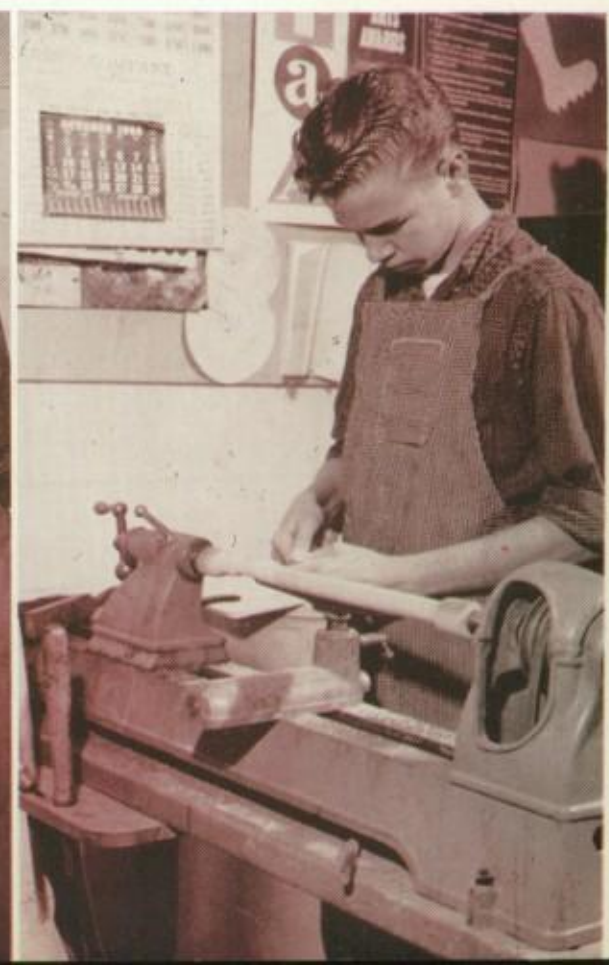

Mr. Roland Schleusener,
Department Chairman

Providing a better understanding of the technicalities of the industrial world and preparing the student for a future occupation in industry are the primary aims of the INDUSTRIAL ARTS DEPARTMENT. These students are taught to appreciate objects surrounding them and are given an idea of all phases of industrial life. In shop, students work at their own speed and learn to use the tools which interest them most. From patience and hard work, from the buzz of a saw, from chips of wood and sawdust, come many useful articles for the boys' personal uses, as well as for their homes. A recent addition to this department is a course in basic electricity, which has become especially popular to many students.

Working with steel, welding, and examining the results is Ralph Moe's interest in Shop I.

Al Hunsicker has discovered that working with a woodturning lathe interests him most. By developing this interest, he may decide to make this part of his future vocation.

The Luther Singers, selected members of the A Capella Choir, truly enjoy God's marvelous gift of song. These singers find that the magnificent creation of glorious music has taken on a deeper meaning.

Mr. Gerhard Schroth, Department Chairman

ENRICHING OUR LIVES THROUGH THE FINE ARTS

The FINE ARTS DEPARTMENT of Luther North is composed of the Music, Art, and Drama Departments. While academic subjects are taught only in the Music and Art Departments, all the departments help to cultivate and enrich our lives. Music in itself is an art; therefore the MUSIC DEPARTMENT provides an artistic means for students to express their Christian faith. Each student may experience for himself the

beauty and meaning in music. Lutherites are enabled to praise God through the gift of music.

The ART DEPARTMENT enables Lutherites to express themselves as individuals through painting, drawing, and ceramics. Students realize that art is a personal expression and that its success depends upon the individual's personal interpretation.

Carole Norman, assisted by Irene Petrussek, finds that learning how to work with clay on potters wheel, and patience are the basic steps toward producing her first creative work.

Bette Rieder and Thea LaPere of the Concert Band, having had excellent experience through numerous performances, discover that daily practice is not only a must, but a pleasure which affords 55 minutes of enjoyment.

BUILDING "TEMPLES OF GOD"

Mr. Arthur Blecke, Department Chairman

Through gym classes these boys learn fair play and the basic fundamentals of sports, such as basketball.

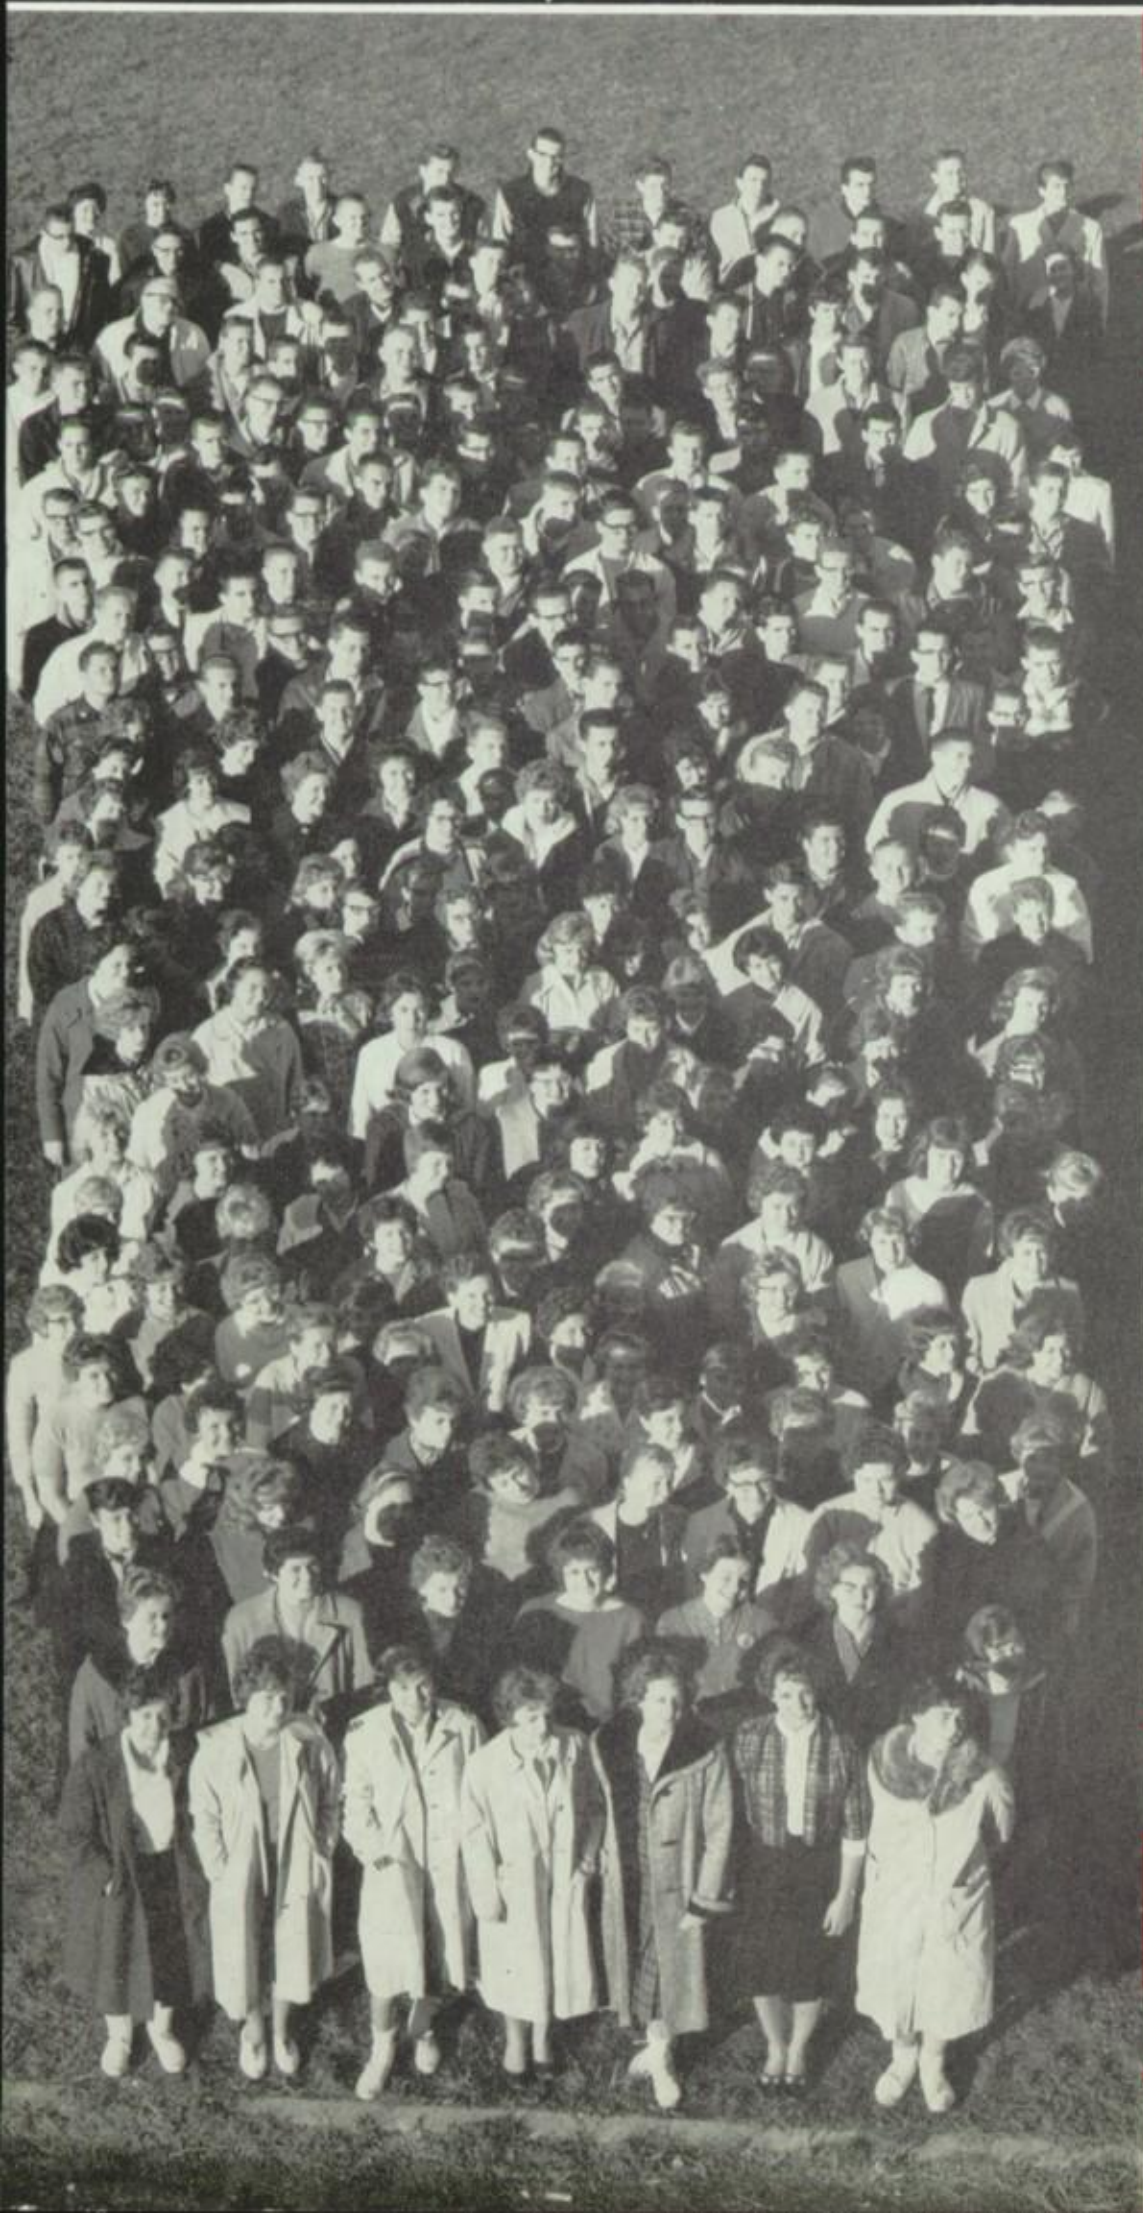

The PHYSICAL EDUCATION DEPARTMENT associates each individual with sports and recreational activities. Since each individual's body is "God's Temple," each temple should function at its highest degree of efficiency. Sports activities enrich the lives of those that participate. Sports are an outlet for the emotions by "letting off steam." In learning the various facts of health, students become better acquainted with themselves and how to take care of their bodies.

Exercises and calisthenics are a basic part of any gym class at Luther, as this group of girls demonstrates. Sore muscles and weary faces may result from these exercises, but most students enjoy the variety of the Physical Education program.

Accepting His Challenge

Throughout our daily classes . . . trigonometry . . . chemistry . . . English . . . and our weekly chapel services, we learn with the help of our teachers to recognize the importance of

SENIORS HAVE MUCH TO REMEMBER

Unforgettable will be the memories that have been made through our years at Luther North. As Seniors, we have many experiences on which to look back. This year we have served as leaders — as examples to those underclassmen who are now making their own high school memories. We have received academic and spiritual instruction and have tried to **ACCEPT HIS CHALLENGE** willingly. This task will become even more important as we leave Luther, and, therefore, we ask God's help in carrying it out.

IN MEMORIAM

We, the Class of 1961, dedicate this space to Joan Curly and Bill Hunter, our former classmates. Joan and Bill would have been fellow graduates had not our Lord called them to be with Him. We are confident that through their faith in the Savior, Christ Jesus, they are now in heaven with Him.

"Be thou faithful unto death and I will give thee a crown of life."

Accepting His Challenge

The responsibility of living a God-pleasing life is a difficult one. Underclassmen are able to overcome this difficulty by linking God with their work, thereby coming closer to him.

DEAR WORMWOOD

DEANWYLL PUBLISHING CO.
175 N. HICKMAN AVE.
CHICAGO 27, ILL.

Through active participation in the various organizations at Luther, we seek not only Christian fellowship, but also the opportunity to accept and fulfill responsibilities. Whether we are . . . serving at a banquet . . . cheering our team to victory . . . or collecting food and clothing for the needy . . . we realize that this is not solely for the benefit of our neighbor, but primarily for the glory of God.

IN ORGANIZATIONS

Standing, left to right: E. Wischmeyer, B. Schumacher, J. Lehmpuhl, W. Glisson, Mr. Walter H. Hartkopf-Advisor, M. Atella, A. Hagen, D. Nemeth, S. Smith, L. Bruckner, K. Korthals. Seated, left to right: J. Krock, B. Dau, K. Tamm-Sec'y.-Treas., P. Banner-Pres., E. Guettler-V. Pres., K. Jacobsen, T. Anderson, P. Simonides.

STUDENT COUNCIL

"Warrior's Waterloo" . . . hallguards . . . student assemblies . . . toys for Dixon . . . "Teddy Bear Bounce" . . . Christmas decorations . . . chapel services . . . "Spring Fling" . . . were among several projects and responsibilities of the Student Council. Through the helpful guidance of their advisor, Mr. Walter H. Hartkopf, the Student Council has been enabled to strengthen the relations between students and faculty. Composed of elected members from the four classes, the Student Council serves as the governing body of our school. Being a Student Council member not only entails responsibility, but a sincere and dedicated attitude toward Luther. With the leadership of President Peggy Banner and the assistance of the entire Student Council, the main objective of the Student Council . . . maintaining a Christian spirit throughout the halls of Luther . . . has been strongly strengthened during this past year.

As Bev Schumacher hands a stuffed animal to Mr. Stratton, of the state school at Dixon, Illinois, fellow Lutherites look on, knowing that Luther's donation of over five hundred toys will be greatly appreciated by the needy children.

LUTHER STUDENT LIFE

Life at Luther North is typical of life among all Christian people. Luther students live by principles found in Scripture. The purpose of Luther Student Life is to provide Christian counseling between fellow students. The L.S.L. Committee tries to help students develop self-control so that they will learn to correct and help one another. This committee meets every Tuesday and is composed of two Seniors, two Student Council members, two Senior Class Council members, and one alternate from each group. We hope God will bless the efforts of this helpful committee, which was first introduced to Luther North this year.

Carrying out the purpose of the L.S.L. Committee, seniors, Nancy Knickels and Mickey Atella counsel a fellow student.

Senior Class Council

Besides taking care of the many graduation details, the Senior Class Council plans the Junior-Senior Picnic, supervises the Student Life Program, helps our L.S.L. Committee with its work, and tries to keep the Senior Lounge in order. With the help of its advisors, this council, which consists of one representative from each Senior homeroom, solves the many problems that confront it throughout the year.

Junior Class Council

Presenting the Junior-Senior Banquet is the primary responsibility of the Junior Class Council. These students, representing each Junior homeroom, started planning this, the biggest social event for upperclassmen, in the fall. Successful paper drives . . . a hayride . . . class rings . . . selling LHN pins . . . Junior class dues . . . a tremendous working spirit . . . helped make the evening of June 9, 1961 a huge success.

'61 LOG STAFF

Individual pictures? . . . Who does the art work? . . . How will we ever do it? . . . were some of the many questions in our seven minds as we met for the first time last April. Our advisor, Mr. W. Hartkopf, assured us that we **could** produce the '61 LOG, and so we vigorously began our work during the summer . . . a planning session on the shores of Lake Geneva . . . the National Scholastic Press Association Convention at the Conrad Hilton . . . confused ideas . . . finally, a **theme**. During the school year we spent many hours working on copy . . . pictures . . . layouts . . . deadlines, deadlines . . . more deadlines! The finished product is one we are very proud of and we hope that you are, too. We accepted your challenge to produce a yearbook and pray that throughout all your lives, you will **ACCEPT HIS CHALLENGE**.

A familiar sight throughout the year was Ruth Schuhknecht depositing money in the LOG fund.

It's serious business as Dick Winski, Sandy Swearingen, Carol Nelson, and Lynn Bruckner work on copy.

Kathy Kelsey, trying to decide which picture to use, knows that Walinger Studio will have the answer.

Our promotion editor, Pat Simonides, made "hundreds" of announcements for the LOG.

BLUE &

Recent news items . . . coming events . . . statistics on a football game . . . latest results on a track meet . . . anticipated news found in the "Tatler" . . . or who's who in the "Senior Spotlight" . . . Lutherites could always find the "latest" in their **Blue & Gold**. During this past year, Lois Nehls and Sandie Wahls, the co-editors, and the B & G Advisor, Mr. Offermann, helped to produce a paper of which all Lutherites were proud.

GOLD

A familiar scene takes place twice a month in the Student Activities Room when members of the various staffs receive their assignments. The photographers can easily be spotted at any sports event snapping pictures for the next issue. Members of the Circulation Staff always handle the finished product and can sense a stir of anticipation as they deliver the **Blue & Gold** every third Friday afternoon.

The student body would like to express its appreciation to the staff for an excellent publication, as well as two enjoyable skating parties.

A CAPPELLA CHOIR

Many memories of glorifying God through the gift of song will long be remembered by members of this year's A Cappella . . . "From Heaven Above" . . . "Were You There When They Crucified My Lord" . . . "Sound of Music" . . . early morning rehearsals . . . special appearances . . . inspiring performances in weekly chapel services . . . prayer before a concert . . . and the wonderful door of music that Mr. Schroth has opened for them. Composed of selected juniors and seniors, the A Cappella Choir has again upheld its reputation for being one of the finest high school choirs. We are proud of our representative choir, which has served the Lord during this year.

GIRLS' CHOIR

Composed of junior and senior girls, the Girls' Choir has contributed greatly to the musical atmosphere at Luther. Besides participating in all of the concerts, they too have given their talents to the weekly chapel service. Members of this choir will especially remember "Cantante Domino", "The Holly and the Ivy", and "Jesus Rest Your Feet". We are proud of their spirit and interest which they have showed toward God's wonderful gift of song.

SOPHOMORE CHOIR

The main objective for members of the Sophomore Choir is to train for membership in the A Cappella Choir. Realizing that singing well in a performance requires months of practice, members of this choir have applied themselves by learning the important singing techniques. "Carol of the Drum" . . . A Cappella tryouts . . . anticipation of wearing a blue and gold robe . . . are among the memories of these students. We would like to thank this choir also for the inspiring music which they have given to the student body in weekly chapel devotions.

FRESHMAN CHOIR

The Freshman Choir has demonstrated the musical interest which this class has shown. Due to the large number of students participating in the choir, it was divided into separate groups. We wish to congratulate the Freshman Choir for the progress that it has made since the first semester by continuing to learn the basic choral techniques. From the first rehearsal, a sense of enthusiasm for contributing their talents through the gift of song was felt. It is inspiring that so many freshmen have taken such an interest in music.

CONCERT BAND

At inspiring concerts and assemblies during the year, the Concert Band has shown its many talents. After many hours of practice, this band has learned to play many successful arrangements. In their handsome blue and gold uniforms, some of the members of this group have done marching routines at football games. This band is truly one of Luther North's finest assets.

BEGINNERS' BAND

By taking part in the Beginners' Band, Lutherites learn how to appreciate and participate in music. They are taught how to play an instrument and learn to achieve unification by working with others. These "beginners" later have a chance to become members of Luther's more advanced bands.

PEP BAND

The Pep Band consists of musicians with real school spirit. If you attend a football or basketball game or cheer at a pep assembly, you probably would hear these Lutherites playing lively numbers which help create an atmosphere of excitement. This band has many times cheered our teams on to victories. For this it deserves much thanks.

MAJORETTES

As they twirl their batons and keep in step with the Pep Band, the Luther North Majorettes add to the excitement of our football games. Many enjoy watching this small group of girls perform. We hope these girls will continue to use their special talents.

G. S. C.

"Whatsoever thy hand findeth to do, do it with thy might" is the motto of the Girl's Service Club. These girls have offered many forms of activities to Lutherites as well as to their community . . . Christmas caroling and sending Christmas boutonnieres to orphanages . . . "23 Scadoo" . . . Intramurals . . . Cancer Crusade . . . Ice-Skating Party. These twenty G.S.C. members were always ready, willing, and able to serve as usherettes and waitresses at Luther North functions, and also found it enjoyable assisting the Kiwanis Club on Peanut Day. Through these services to both school and community, the G.S.C. has lived up to its motto.

KEY CLUB

"Whatsoever ye do, do all to the glory of God" is the motto of the Key Club. The club is sponsored by the Kiwanis Club of Chicago, and two members of the Key Club attend a Kiwanis luncheon each week as representatives of the school. The Key Club has successfully sponsored several projects . . . all-school Magazine and Candy Drives . . . ushering for P.T.C. meetings . . . checking coats at LHN activities . . . assisting with the chapel services . . . presenting the Spring Festival. These energetic boys also aided their community through . . . Kiwanis Peanut Drive . . . Cancer Crusade. Much thanks and appreciation go to the boys for the school spirit which they have shown in both school and civic activities, whereby they themselves have learned the true meaning of brotherhood.

NATIONAL HONOR SOCIETY

The National Honor Society is a newly-formed society at Luther North. This society is a national organization, and membership is on a very selective basis. A student must be a junior or a senior with a 1.5 average and his application must be approved not only by all of Luther North's faculty, but also by the national committee in Washington, D.C. Sophomores who fulfill these requirements are accepted in this organization on a probationary basis. Some of the activities of N.H.S. included a mock political election and a candlelight initiation service. We wish to thank these students for bringing a high scholastic rating to our school and hope that they will always continue to be among the top scholars as they **ACCEPT HIS CHALLENGE.**

DEBATE CLUB

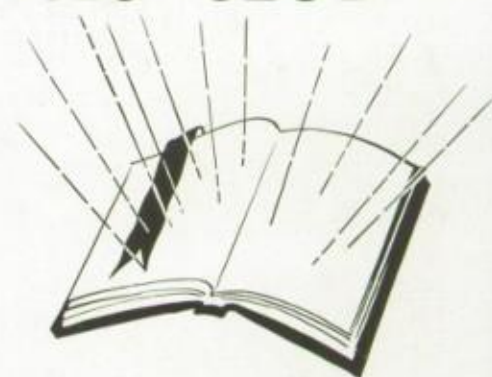

Another newly organized club at Luther North is the Debate Club. They are known for "speaking their minds" and, during the past year, have gained a vast knowledge of world affairs. Under the able direction and assistance of their sponsors, Mr. Jungemann and Rev. Wehmeier, these students have learned the basic fundamentals of oratory and have used them skillfully against their opponents. They begin their orations with such important phrases as "My colleague and I propose" and "Resolved: Taft-Hartley Act Should be Abolished." These students spent many hours in preparation for the debates and we congratulate them for their fine work.

JUNIOR - SENIOR RELIGION ACTIVITIES CLUB

Increasing in the knowledge of God through lectures, films, and tours has been one of the chief aims of the Religion Activities Clubs. By sending clothing and food to needy families, students were able to demonstrate their Christian faith toward less fortunate individuals. Provocative discussions were held on local, national, and world mission problems which face our Church today. May God's richest blessings be upon the Religion Activity Clubs of Luther North.

NATIONAL THESPIANS

Being a member of the National Thespians is indeed an honor. Representing many hours of work, these students have shown that they are especially dedicated to drama and are entitled to a life-long membership. Being the "hub" of the Thespians, National Thespian members have given the incentive to many students to work toward this honor.

THESPIANS

"The Five Dollar Bill" . . . applying makeup . . . "Dear Wormwood" . . . worn scripts . . . United Nations Smorgasbord . . . rehearsals!! . . . Mr. Matthews' Productions — "Rick Mark Show" . . . "Only in Sorrow" . . . sound of hammers at work . . . represent some of the major activities of the Thespians. Being composed of nearly two hundred members, the Thespians is one of the largest organizations at Luther North. To these dramatic students of LHN, we would like to express our appreciation for the fine productions which they have presented during this past year.

We would also like to pay recognition to the "behind the scenes" Thespians who devote several hours each Saturday in making materials for Thespian presentations. Commonly known as the Stage Crew, this group of Thespians readily aids a helping hand to many organizations with their talent in lighting techniques and scenery productions.

LETTERMEN'S CLUB

"Do you want to buy a hot dog?" This question, familiar at any home basketball game, comes from boys who are members of the Lettermen's Club. Consisting of boys who have earned a letter in any sport, this "sports-minded" group helps to raise money for the athletic department. Furnishing letter-sweaters for two years lettermen . . . financing the Luther North scoreboard . . . sponsoring the annual Lettermen's Initiation Day, which is anticipated by both the candidates and the entire student body, are among some of their activities. We would like to thank this fine organization for the time and effort which they have given Luther North . . . on the field . . . in the pool . . . or selling hot dogs.

BOWLING CLUB

When you hear the ten-pins falling and bowling balls rumbling down the alleys of the Irving Park Bowl, you know Luther North Bowling Club is in action. These bowlers are divided into two groups, and meet on Wednesdays and Fridays after school. At the end of the year, trophies are awarded to the best player and the best team of this popular club.

SCIENCE CLUB

The smell of H_2SO_4 . . . a spatula of copper sulfate . . . observing a significant astronomical structure of the spiral nebulae . . . these are familiar topics to members of the Science Club. Composed of juniors and seniors, this club was formed by students whose inquisitiveness in the area of Physical Science went beyond the daily classroom assignments, lectures, and experiments. With the aid of the excellently equipped laboratory and the helpful assistance of their sponsor, Mr. Jack Stoffregen, these students were enabled to satisfy questioning minds by discovering interesting data and enjoyable research.

BIOLOGY CLUB

Through this club, members can delve deeper into the fascinating field of biology. They go beyond the specified course of biology to inquiries on their own. Viewing current movies . . . visiting institutions . . . conducting provocative discussions . . . and dissecting many animals have broadened their scope of knowledge. Mr. Everly, sponsor of the Biology Club, has done much to stimulate the interest of this fascinating and educational organization.

CHESS CLUB

Students learn the fundamentals of chess in this provocative club. By participating in tournaments during the year, the members have an opportunity to display their skill. It is our hope that through this club more students will learn to enjoy this intriguing game, for it can bring many hours of quiet enjoyment for years to come.

CAMERA CLUB

Through field trips and lectures, the Camera Club members gain a better knowledge of the art of photography. From focusing on a desired object, to developing photos in the dark room, these members learn how to produce better pictures. We wish to express our appreciation to this fine club for all the help and service it has given to Luther North and its organizations.

ART CLUB

Swishing of a paintbrush . . . working with chalk and buttermilk . . . providing artistic showcases . . . these are distinct characteristics of the Art Club. Members of this club specialize in creative projects, and are known for their readiness in assisting any organization with posters and murals. Under the able leadership of their sponsor, Mrs. Beckmann, our entire school has benefitted from the enjoyment which several Lutherites have found in the field of art.

CRAFT CLUB

Under the guidance of Mrs. Nyvall, these girls learn crafts of various kinds . . . knitting . . . embroidering . . . textiles. At Christmas time they send stockings to the orphans and thereby show their Christian love. We hope these girls will continue to increase their talents.

PEP CLUB

Sitting quietly as a posed group, these Lutherites are not representing the exuberance and enthusiasm shown at the games.

Amidst the most enthusiastic rooters at Luther North's football and basketball games are the members of the Pep Club. These students lend their shrill voices toward their team's victories. These Lutherites display a Christian school spirit and create an atmosphere of anticipation and excitement while boosting the morale of our teams.

SPANISH CLUB

Meeting once a month, members of the Spanish Club, under the sponsorship of Miss Hartley, enjoyed discussions of Spanish customs and traditions. Some of their projects have included visiting Spanish organizations and having lectures by Spanish authorities. The Pinata Party, held during the Christmas Season, was particularly interesting, for it was at this party that the Spanish customs and traditions were put into practice. Through this organization and its interesting method of learning, members have increased their knowledge of Spanish culture.

HALLGUARDS

At various places in the halls of Luther, our efficient hallguards keep constant watch for order and control. It is the job of these students to ask for passes, greet and direct visitors, collect absent slips, and run errands. This group of Lutherites deserve much thanks for their helpful service. They have given of their free time in service to the school.

LIBRARY ASSISTANTS

"Could you please help me find this book?" . . . "May I please see your pass?" . . . shhhhhhh . . . are all familiar sounds in Luther North's Library. When you walk into the library, you are greeted by an ambitious group of students who shelve books, watch the charging desk, write out overdue notices, and do other helpful jobs in the library during their free time. These library assistants are a great help to Mr. Hartman as well as to all Lutherites.

Accepting His Challenge

As children of God, it is our duty to accept defeat as well as victory, whether it be on the . . . football field . . . baseball diamond . . . track . . . basketball floor . . . tennis court . . . or in the pool. Realizing that our lives are never-ending struggles against our opponents, we should always strive to do God's Will.

THE MIGHTY WILDCATS WIN THE P.S.L.

If you were sitting in the bleachers on the day of our opening football game against the Schurz Bulldogs, you would have seen the Luther North Wildcats' first move toward the P.S.L. Championship. Although we lost to Schurz by one point, 7-6, it was a "moral victory" for us. The Wildcats had met their challenge. Since this was the first game after tedious summer practice, the going was rough. However, as the games continued, the team showed steady improvement. In our second game, we tied Roosevelt 6-6; and our third game gave us a victory over Tuley, 22-6.

You could tell the players were waiting for the league games to start; for when they did, the boys ran, blocked, and played hard. The defense was rough and the offense was fast and agile. The team hit hard on their first league opener, beating North Park 42-0. The offense was outstanding with Calhoun, Dau, Nimtz, and Ladendorf making touchdowns. Judd Stocker, our kicker, made six points in a row after the touchdowns. The running, passing, and receiving at this game all met the crowd's approval. Every player on a team helps make it great. It takes the line to open the holes and the backs to throw blocks. This year's line was considered the heaviest of any previous season. Some of the big boys were Jensen, Schmidt, Nasheim, Linder, and Sellke; all weighing in the 200's or close to it. However, the test of tests was yet to come. We were to play Wheaton on our Homecoming. This was the team to beat for the championship, and each player on both teams played with everything he had. Yes, Wheaton met its Waterloo, but not without a fight. Hard discipline and rigid training under Coach Yursky . . . courage and determination . . . these brought the Wildcats through, and gave them another victory, 26-21. Dick Calhoun made all of Luther's touchdowns, and had 260 yards gained on 26 tries for an average of ten yards per try. With the crowd cheering and singing the school song and the players smiling happily, Luther North's Homecoming ended perfectly.

The mighty Wildcats continued to **ACCEPT THEIR CHALLENGE**. They whipped Walther 26-13 with hard, fast, play. With three league wins and no defeats, the Wildcats had only one game left, Luther South. South lost 40-13, and Luther North won the P.S.L. Championship . . . undisputed, undefeated. Our sincere congratulations go to the championship team; Dick Calhoun, the captain; Coach Yursky; Mr. Schleusener; Mr. Seevers; and Mr. Blecke for seeing and **ACCEPTING THEIR CHALLENGE**.

AN OUTSTANDING CHAMPIONSHIP TEAM

Coaches Yursky, left, and SeEVERS go over plays with Quarterback Dau and Captain Calhoun.

Our strong defense is shown as the Wildcats fight courageously.

Judd Stocker, our kicker, adds a point after a touchdown made through the team's workmanship.

Yardage is gained by an end-around sweep.

As we know, the Luther North Wildcats work as a team; however, there are a few outstanding individuals. Our captain, Dick Calhoun, broke many records. Besides being named "Back of the Week" by the Chicago's American Newspaper, Dick was elected to the Private League All-Star Team and the Northwest All-Star Team, which included public, Catholic, and suburban schools. In addition, he was chosen to the All-Chicago-Area Team by the Chicago Sun-Times. Congratulations Dick! We shall never forget your great running as a fullback or the hard work you put into football.

Another outstanding player was Jim Dau, who also broke many of the old records. Jim has been our Varsity quarterback for the past three years. This year, as in the past two years, he was elected, first string, to the Private League All-Star Team and the Northwest All-Star Team. Jim was chosen by Chicago's American to the All-Chicago-Area Team, and was named "Most Valuable Player" by his teammates — an honor he well deserves.

There are many more who deserve mention. The following are those who were put on the Private League All-Star Team: **First string:** Dick Calhoun; Jim Dau; Don Sellke, center of our team and the biggest man in the league. **Second string:** Marty Kolar, a good defensive end; Bill Schmidt, a hard hitting lineman and captain of next year's team; Paul Wegehaupt, a fast blocking junior. **Honorable mention:** Bob Jensen, Bob Nimtz, and Bob Runge.

Good luck to next year's squad. We hope you will be as successful as this year's champions.

WILDKITS PAW FOR VICTORY

The Wildkits started their practice after school had started, yet they defeated Tuley 7-0 in their opening game. This was the start of a winning streak, for they beat Morgan Park 19-0, Walther 19-7, and Wheaton 19-15. In their last game, however, Luther South beat the Wildkits 32-7. Three players returning from last years' team were Fullback Schiemann and Lineman Bill Glisson, this year's co-captains, and Les Majer, who was voted "Most Improved Player"

by the team. They were soon joined by many capable sophomores and outstanding freshmen.

Something new was started this year. The Freshmen of our team played three games. They tied Walther 19-19, beat Luther South 21-0, and lost to North Shore 7-13.

Next year's captain will be Quarterback Larry Wagner. Congratulations to a fine group of football players. Good luck to our future varsity Wildcats!

Marty Plennert, Bill Schiemann, and Fred Peavey try out a new play at practice.

Center Marty Plennert awaits the call of "hike" from Quarterback Larry Wagner.

VARSITY CHEERLEADERS

"Let's really hear it!" . . . "Fight team fight!" . . . "Go you Wildcats go!" . . . were familiar yells of our peppy cheerleaders. Nerve-racking tryouts . . . hours of hard practice . . . receiving new sweaters . . . the excitement of the first game . . . will be unforgettable moments for these energetic gals. With the assistance of Miss Brower, their coach, the cheerleaders helped to boost the morale of the team while unifying school spirit. Our cheerleaders most certainly deserve a "cheer!"

FROSH-SOPH CHEERLEADERS

Learning old and new cheers from their coach, Miss Brower . . . concentrated practices . . . participating in their first LHN assembly . . . will always be remembered by the Frosh-Soph Cheerleaders. And we will always remember them for their pep and enthusiasm.

Baskets, baskets, baskets boys!
You make the baskets, we'll make the noise!
Noise is exactly what the crowd made at all of Luther's basketball games. Cheering in the bleachers during any game was indeed a thrilling experience. As the score rose and ties were made, the crowd shouted wildly. Yes, we in the crowd were proud of these boys who represented our school on the basketball court. They did their best and finished in a second place deadlock with Luther South, Francis Parker, and Harvard, second only to Wheaton Academy, the P.S.L. Champions.

Our team started with little experience, yet came through with 18 wins as opposed to only 7 losses. Honors go to guard Jim Dau, who averaged 14 points per game for a season total of 360 points. Don Johnson, another guard, scored 324 points for a 13 point per game average. Don also set a school record with 104 assists for the season. Forward Durwyn Wolf averaged 12 points per game with a season total of 304 points. In addition, Durwyn led the team in free throws; he made 106. Leading the Wildcats in rebounds, captain and center, Don Sellke, made a total of 248, an average of nearly 10 per game. This year Don was voted Most Valuable Player by his teammates. Congratulations Don!

Baskets and free throws added up, and the Luther North Wildcats had a season total of 1692 points, an average of 68 per game. As the cheerleaders yelled, "Put it in, put it in, sink it," the boys sank 416 free throws in 700 attempts for a .594 percentage. Next year's co-captains will be Joe McPeck and Durwyn Wolf. Sincere congratulations go to Mr. Blecke, the Varsity Basketball Coach. With his encouragement, the team proved successful. Thank you Wildcats for making the 1961 Basketball season one of the best.

FROSH-SOPH BASKETBALL TEAM

The Frosh-Soph Basketball Team proved very successful this season. The Wildkits took third place in the P.S.L. under University High and Luther South, the P.S.L. Champions. They scored a total of 834 points for the season, 522 in league competition. Sophomore Bob Walker was the highest scorer with a total of 188 points; next in line was Freshman Dick Briars with 164. Other individual highs for the season were made by Ed Eckhardt, the Kit's captain, who scored 39 free throws with a .672 free throw percentage, and Bill Schiemann, who had a .422 percentage in field goals and made 35 assists. Bill was voted Most Valuable Player by his teammates. These boys practiced hard and came through with 9 wins, 3 losses in league games. Recognition goes to the Wildkits and their coach.

FRESHMAN BASKETBALL TEAM

This year's Freshman Basketball Team is one of the best Luther has had. The total points for the season and the average points per game were all-school records.

Under the coaching of Mr. Arthur Teschke, these Freshmen won all eight of the games they played. High-scorer for the season was Ralph Henschel, with a total of 78 points; second in line was Ralph Swearingen, with a season total of 73 points. In addition, Ralph Swearingen broke a school record by scoring 26 points in one game. This season's Most Improved Player was Ken Hansen.

Congratulations to these future Frosh-Soph and Varsity Basketball players; their co-captains, Jim Koehler and Ralph Swearingen; and Coach Teschke.

If you happened to walk past Portage Park after school on a spring day, you would have seen Luther North's baseball players improving their batting and fielding. Practice and more practice . . . ditching cold showers . . . sleeping behind trees to avoid running laps . . . Coaches Blecke and Teschke . . . team work, and school spirit . . . these things our baseball players will always remember. As the boys were coached on the sidelines, balls were hit, dust flew, and players slid into home plate. This squad boasted excellent pitching, sound fielders, and a potent batting order. During spring vacation these boys practiced daily. At the beginning of the season, two practice games against Tuley and Schurz gave the team a

chance to show their talents. They continued to do their best against Walther, Luther South, and Milwaukee in three double-headers, the latter a twilight game. There were eight league games, four of which were played at home against North Shore, Latin, North Park, and Francis Parker. Playing high school baseball in the Private School League . . . gaining valuable experience . . . winning that "special" game . . . are all part of the baseball season at Luther North.

Congratulations to our fine baseball team, Captain Jim Dau, and Mr. Blecke and Mr. Teschke. We are indeed proud of their efforts.

The Track Team has many claims to fame . . . Coaches Everly and Offermann . . . co-captains Calhoun and Gahl . . . the boys who faithfully practiced each day. Each member of this team must be prepared for strenuous practice, must have a desire for track, and must have a definite talent for this sport. The Cindermen opened their season on April 11, in the P.S.L. Relays with nine other private schools at the University of Chicago. They competed in six home meets, and ended their season in the P.S.L. Finals. Tryouts . . . rainy practices . . . pole-vaulting . . . 100-yard dash . . . shot-put . . . discus throwing . . . high-jump . . . these are all part of track. By participating in this sport, the boys gain invaluable experience as well as cultivate strong and healthy bodies. Both the Varsity and Frosh-Soph track teams, which compete separately, deserve high recognition for their well-earned success.

For a fun filled afternoon, there is nothing more exciting than watching a swimming meet. Each meet consists of various different races and contests. Each year our swimming team practices regularly for its swimming meets at the New Lawrence Hotel Pool. An exploding pistol . . . splash . . . winners announced . . . these are all part of the swimming team's fun. Mr. Kolzow, their coach, has helped to prepare our team for top performances at every meet. Congratulations for a job well done.

One of the fastest competitive sports is tennis where co-ordination, speed, and skill are needed in order to succeed. Luther North's Tennis Team, under the able coaching of Rev. Wehmeier, practices daily for their matches on the courts at Portage Park. As rackets swing and balls fly, "love" is gained and lost. Best of luck to L.H.N.'s skillful Tennis Team.

VARSITY GOLF

The varsity golf team began the season with ten boys. In regular meets, only three boys participate; these being chosen by their success in qualifying matches. If a golfer could defeat a member of the top three, he took his place. The team played at the White Pines Country Club, which

is one of the roughest courses in the Chicago area. Tom Prais, Mickey Atella, and the Captain, Roy Mueller, were the returning lettermen. The boys practiced diligently for a successful season.

October 21 and 22, 1960, will be remembered as one of the most unforgettable weekends at Luther North. Derbies . . . buttons . . . fluffus . . . class floats . . . and the Kiwanis Club Float carrying Queen Pat and her court added color to our 1960 Homecoming activities.

The crowd, assembled in the gym for the combination variety show, pep rally, and crowning of the queen, anxiously waited for the highlight of the evening. After the attendants . . . Marge Alfstad . . . Nancy Knickels . . . Melinda Paine . . . Barb Zweifel . . . were announced, a soft hush came over the audience. As Anita Forssell, 1959 Homecoming Queen, announced Pat Householder as queen, Dick Calhoun, captain of the football team, escorted her up to the stage; there Anita crowned Pat Householder as our 1960 Homecoming Queen.

The Homecoming Parade . . . Alumni Brunch . . . Frosh-Soph Game . . . all passed slowly as everyone awaited the important game of the season. The Luther North "Wildcats" wamped Wheaton's "Warrior's", 26-21, fulfilling the theme of "Warrior's Waterloo." Horns blew furiously . . . hoarse voices attempted to sing "On, Oh Luther" . . . stray confetti drifted through the air . . . exhausted alumni, parents, and Lutherites joyously filed over the victorious LHN field, preparing for the celebrations to follow the game. This day will live long in the memories of all seniors.

The skit, Hawaii Nose . . . acknowledgment of the basketball team . . . and the highlight of the evening . . . the crowning of the Queen, Cindy Rehberger, and her two attendants, Bev Schumacher and Jo Elyn Jones . . . made the evening a huge success. After dancing and refreshments, the fun-loving freshmen and sophomores regrettably left "Palm Tree Sway."

HARBOR LIGHTS

The Junior-Senior Banquet . . . this is the night of anticipation for juniors and seniors. As seniors, we like to remember the Junior-Senior Banquet of 1960 and its theme . . . "Harbor Lights." The significance of our theme centered around the Light which we have come to learn and know throughout our four years at Luther. The Light will always serve as our Guide in life, and the Harbor will keep us steadfast, regardless of the number of years that will pass between the halls of Luther and us.

We, the Seniors of 1961, would like to express our thanks to the Junior Class for the banquet of this year. As "experienced" banquet-givers, we realized all the hours of tedious preparations . . . the worries of the banquet co-chairmen . . . the late and final hours of the decoration committee . . . the issuing of the invitations to the seniors and the faculty . . . the final announcement of the location of the banquet . . . the ringing of a doorbell . . . the beautiful flowers . . . quiet. We will also remember the last exciting moments of the banquet the swishing of summer formals . . . the final get-together of the upperclassmen . . . the picnics the day after . . . and all the wonderful memories to climax four unforgettable years at LHN.

LADIES AUXILIARY PRESENTS "ON THE AVENUE"

"On the Avenue" was the theme of this year's fashion show presented by the Ladies Auxiliary on March 10, 1961. The fashions were modeled by junior and senior daughters of the auxiliary members as the audience listened attentively to the famed commentator, Elizabeth Waldron. Highlighting the evening was the entrance of the bridal party and their escorts. The fashion show was indeed a thrilling event and all who attended enjoyed seeing the models who stepped out of the store windows "On the Avenue."

ALL-SCHOOL PARTIES

Buggies, dolls, teddy bears, and other articles which were given by students are heaped in piles, ready to be taken to the children at Dixon State School.

Students enjoy having "fun with a meaning" at the Teddy Bear Bounce.

Whenever a club or society plans an all-school party, Lutherites can be assured of an evening full of excitement. During the past year, some of the parties we have enjoyed were given by the GSC . . . Ice Skating Party . . . 23 Scadoo . . . and Student Council . . . Teddy Bear Bounce . . . Spring Fling. However, the greatest impression is felt during the closing meditations and group singing. One of the most memorable devotions was Mr. Matthew's reflection on mentally retarded children.

On the morning following the stealing of the money, Marge Boedecker tries to find out why Mitch Koper stole the five dollars.

On November 2, 4, & 6, 1961, the LHN Thespians presented their first play of the season, "The Five Dollar Bill," written by Tad Mosel.

The story related family life at a summer cottage. The family presented wasn't an ordinary one, but a family separated by favoritism. Mr. Moore, known as The Major, favored his son who was excellent in athletics, rather than his son who was very intelligent. Ralph, in order to gain recognition from his parents, stole some money; it is around this point which the story revolves.

Alone together, Marge Boedecker and Bradley Nystul discuss their accounts in the family summer cottage.

LHN Cafeteria . . . audience seated "in the round" . . . lights dimmed . . . the production began! The play, "Dear Wormwood", was a light-hearted comedy concerning a mischievous Junior devil fresh out from Tempter's school on his first soul-snatch. The play held a deep religious message, because it woke up all those that saw the presentation to their own personal devils. Congratulations to Mr. Matthews and the LHN Thespians for this outstanding performance.

STUDENT BODY WELCOMES NEW STUDENTS

January 24, 1961, the first day of the second semester, was an important day for Luther's 30 new students. While the student body was recuperating from finals, these students were adjusting to life at Luther North. Within a few days, schedules, lockers, and the adjustment to academic life were problems of the past. It is our prayer that these 30 new students body, will be a blessing to Luther North, and Luther North a blessing to them!

Back row, left to right: J. Buckley, D. Ganschaw, R. Carlson, J. Barnes. Eighth row: J. Green, J. Schmidt, D. Finney. Seventh row: M. Geier, J. Schulz, J. Rozanski. Sixth row: D. Parzys, S. Headstrom, L. McEwen, K. Erickson. Fifth row: K. Erickson, M. Kobach, K. Erickson. Fourth row: Z. Ritins, C. Buchholz, J. Dourn. Third row: Meloni Tillmans, S. Johnson, S. Franck. Second row: K. Harris, G. Mc Culloh, R. Eberlein. Front row: J. Heckel, C. Gerbetz, M. Thornberg. Absent: J. Heeg.

Throughout our 1961 LOG, we have presented a living history of our four years at Luther North. Regardless of what our activities have been, we have always tried to take God with us. Our Meditation Chapel has served as a place of rest . . . a place to go when we felt downcast . . . a place to ask for God's help before an important exam . . . a place where we could talk with God. It is because we have been blessed with a school such as LHN that we will ever seek to accept His challenge. No matter what our role in life may be, we can always be assured that God will hear us when we pray. Our prayer will not always take place in a secluded Meditation Chapel such as we have enjoyed at Luther North, but it can take place . . . anywhere . . . at any time. May we always be aware of ACCEPTING HIS CHALLENGE.

*Dear Karen,
nice knowing you this
last year in homeroom.
I hope we will get in some
classes together next year.
Love the
Karen Jones*

This is the end of the 1961 LOG, and it signifies the end of L.H.N. school life for the Class of 1961. As a parting word, the LOG staff would like to give special thanks to Mr. Norman Koenig and Mr. Ernie Rubak of the Norman King Printing Co.; to the photographers of Walinger Studios; to our student photographers, Tim Fass, Bruce Halvorsen, Gerry Unzicker, and Karl Day; to Mr. Donald Scheiwe; and to all the students, parents, and faculty members who have contributed their time, money, and effort to the publication of this yearbook.
We hope you will always enjoy your 1961 LOG, and that throughout your life, you will continue "ACCEPTING HIS CHALLENGE."

Dear Karen,
I'm so glad
that we have become
friends this year. I hope
our friendship will grow
this summer and in our remaining
years at L. H. N. always remember
the fun and we've had together
classes and I hope we have
God's richest blessings.
Love,
Loralee

Dear Karen,
You're a real pal. I'll
never forget some of the shows we
went to see. I'll never forget you and
your crazy antics. May God bless
you in all that you do. May you
succeed in every walk of life.
Love always,

Dear Karen,
Knowing you has been
fun and at times an
inspiration. It's so better
in life. I hope you
always seem to try
hard and do your best.
on the road to becoming
a doctor. Keep it up and
I know you'll make it.
Best of luck to you,
especially in medical
school.

Dear Karen,
I'm very glad we
met in
this year. I remember
"Dear" who look
he yelled. Boy, he was big!
I hope we'll have some
other classes together next
year. Good luck in your future
years at Luther. May God
bless you always.
Love,
Sharon

Dear Karen,
It sure has been swell knowing
you this past year. I hope you
hard for me but you seem to get
through it ok. I hope that you have
good luck in all your subjects and
everything you do in life. God Bless
and keep you always.
Your friend
